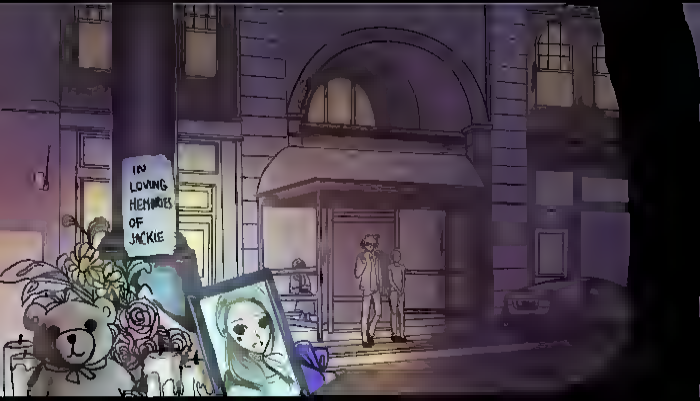
twin?
Hahah, why? Are you hitting on me or something?

Snailogy@ webtoon.c
Well, I—
Actually, don't
Don't tell me, I don't want ta know anymore.
You're cute... but you're weird. I have pepper spray, you know ...
Please keep that in your pants.

A Twin

Na...but I'm pretty sure I just saw yaur face



On the memarial site acrass the street...

Post an **original** creative horror story within 2 sentences in the comment below. I might feature your story in my next strip.
(with your credits of course)

For example:
He texted back "Hello, love. Are you flirting with me?" Bright high beams, a truck and loud horns were the last thing I remember. #TextingWhileDriving #HisNameWasDeath
